Allowance--Tasdik--Coondapur Taluk--Kulanje village--Institution No. 384--Hebbadi Chittari Brahma--Payment of arrears.

Hebbadi Chittari Brahma has a tasdik of Rs.10/- per annum. The trustee of this institution died in Fasli 1335, and as no one was appointed in his place the tasdik went to deposit. Since then Thungamma Shedthi. the widow of the last trustee has obtained a sanad dated 18th April 1931 to the trusteeship and she now applies for the payment of the arrears.

2. In explanation of the delay in applying for the payment of the arrears, the petitioner says that she could not obtain a sanad from the Nadavar Committee to which the institution belonged in fasli 1335 (1927) as it was incomplete, that she being a woman came to know of the existence of the District Temple Committee only in 1928 when she applied for a sanad. She got the sanad in August 1932 and immediately applied for the payment of the arrears of allowance.

3. In the circumstances, I do not think that the delay in applying for the arrears of tasdik was due to neglect on her part. I therefore recommend that the delay may be condoned and the arrears may be ordered to be paid to her with the usual deductions.
